

# REPAIR, SERVICE INSTALLATION AND MAINTENANCE NETWORK

## THE WILL-BURT COMPANY

has been designing, manufacturing and servicing the world's premier line of telescopic masts, portable towers and lighting towers for over 30 years. Factory service technicians located in Orrville, Ohio and at our sister company, ITS in Tulsa, Oklahoma combined with service outlets throughout the United States provide the expertise to keep your operations running without interruption. This robust network of technicians using OEM parts ensures that downtime will be limited, saving valuable time and money.

Will-Burt telescopic masts, portable towers and lighting towers can be found in a variety of applications in industries as diverse as fire and rescue, military, broadcast, towing, entertainment and many more. The Will-Burt service network has the capability and technical training to provide outstanding service and maintenance to all of these industries and more.

The Will-Burt Company also offers professional installation and integration services on a variety of platforms.

**The Will-Burt Company and ITS along with their service network offers a variety of repair, service and maintenance options that will suit your business needs.**
